We have returned!
Tone-nee-san!!
You did great out there, Tone-san!
It's time for lunch.
Your favorite salmon dish is today's special.
Ohh
But when I look at them sometimes...
Those two are so close, nano-desu.
Yeah
It's hard to tell which is the big sister, right?
Grr r...
I know what you mean!

Sister Separation! by Ishida Soushi

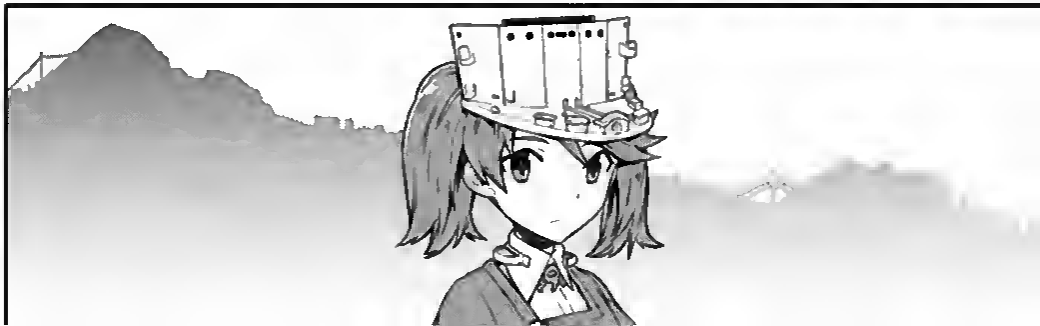
Starting today, I refuse to eat with you, Chikuma!
St-
I will eat lunch by my lonesome!!
This can't be...
Mm ~♪
Eh ...?
Even my mood's startin' to brighten right...
Sun's shining, birds are chirping,

Ahh, what the heck.
Up...
Whoa
So?
You're down in the dumps cause your big sis shooed you off?
She won't even let me eat with her...

?
I did a double take when I saw you deboning and hand feeding her some saury...

D-Do I really ...?
Well that's hardly a shocker when you act like an overbearing momma all the time.

I do whatever she asks of me,
But because of that, I think she's started to resent me...
I may have gone too far in a few places in caring for Nee-san...



Huh?
Look at you, makin' mountains of molehills.
I don't have a sister or anything,
So I might not totally get it...
Ryuu-jou-san...
But the two of you have got a real special bond, dontcha?
Well you can't get rid of something like that so easy! You gotta buck up!
ヒラッ

Ehh!?
!... I don't want that!
Other-wise, you two are gonna split all over again.
Just ease up on her a little, will ya?
...I have to find Nee-san and have a talk with her...
Ahh, no need to worry about that.
??
Cause right about now, your big sis'll be looking for you.

Now then, time to eat!!
Mmm, they won't snap.
Chikuma, can you get... Ahh! I must-n't!
Wait, won't the bones catch in my throat ...!?
Chi-kuma!! Bring tea and... Ahh!!
Chiku-ma...
...
Chi-
CHI-KU-MA-AA-A!!
Chikuma's by the beach
Um
Ah

Say "Ahh~", Tone-nee-san.
Ahh ~n!
You guys didn't learn anything in the end, didya.
And here's for you,
I know what you mean...
Even if there's a lotta wise-cracks I'm holdin' back.
Nano-desu.
Geez louise
Though I suppose this's the way things ought to be.
Ryuu-jou-nee-san.
...
What's with the "Nee-san"...
Chiku-ma's big sister is me and me alone!
